Greater Boston Chapter

August 28, 2008

Dear Members and Friends:

Thank you once again for a very successful 2007-2008 season. Preparations have begun for another exciting schedule for the next year of events and meetings for the Greater Boston Chapter of the Acoustical Society of America. Tentative plans for this upcoming season include a tour of a local LEED-Platinum certified building, a concert hall acoustics panel discussion, and a wide range of lectures and presentations including yacht acoustics, biomedical acoustics, wind turbine noise, and electro-acoustical enhancements within performance spaces. As always, we will continue our relationship with local student chapters, neighboring local chapters of the ASA, and other related organizations.

This year's officers are:

Chairperson:	Brian L. Masiello	bmasiello@acentech.com
Secretary:	Andrew Carballeira	acarballeira@cavtocci.com
Treasurer:	Herb Singleton	hsingleton@cross-spectrum.com
National Liaison:	Tim Foulkes	tfoulkes@cavtocci.com

Executive Committee:

Bill Cavanaugh	Rose Mary Su	Paul Barbone
Gladys Unger	Richard Campbell	Richard Horonjeff
Matthew Moore		

The Greater Boston Chapter and its events are supported on a volunteer basis. As a group, our goals are to reach a broad spectrum of people with a common interest in acoustics, to gather about once a month to discuss topics in the field, and to offer perspectives on current issues in acoustics. Please be aware that it is not necessary to be a Member of ASA National to join our local chapter, and guests are always welcome at all events.

Be sure to check the chapter's website at <http://www.gbCasa.org> and download the latest chapter information, including meeting notices. We encourage you to join the electronic mailing list in order to receive meeting notices and updates right away. You can sign up instantly by accessing <http://www.gbCasa.org> and browsing down to the Groups Signup.

Please take a moment to fill out and submit the enclosed membership form with a payment to ensure that our mailings and meetings are paid for and that we have your correct contact information. Be sure to include your email address as we will continue to distribute our meeting notices primarily via email this year.

We look forward to seeing you at our meetings!

Sincerely,
